Auto-Ship Subscription Program Agreement

By enrolling in the CTFO Auto-Ship Program, you agree to the terms and conditions thereof. Under the Auto-Ship Subscription Program, CTFO will automatically send the designated Auto-Ship products on a monthly basis.

You will be responsible for paying for all products shipped through the Auto-Ship Subscription Program. The payment method you indicated will automatically be charged on the date of your choosing. If you do not choose a specific auto-ship date, it will automatically default to the same date of the following month you originally enrolled in the auto-ship program unless a month does not have that many days. In that case, the auto-ship will be charged on the last day of the month.

You can modify or cancel your Auto-Ship order any time before the order is processed for shipment. You also can cancel your Auto-Ship Subscription at any time. Simply go to the "Manage Autoship" link in your back office or call or email our Support Center at 707-449-4567 or support@myctfo.com.
